

Quinta do Javali logo

Versions of the logo

1. Black
2. Reversed

The logo is available in ".ai" (Illustrator .ai) and ".pdf" (Illustrator .pdf) .

The ".ai" and ".pdf ai" version logos, are vector formats and are intended to use at high resolution - usually press. These files are scalable without loss of quality. These are standard format files, readable by most known graphic editing software.

Any version of the logo for usage at electronic media, internal documents or email, is to be created from these files in vector format (*.ai and *.pdf) in order to get the correct size and format.

This document helps you find the correct file.
